

# *6<sup>th</sup>* annual BUCKETBASH

A fundraiser to grant wishes for adults with cancer

Fill Your Bucket List Foundation will host 500 supporters and recipients at the 2020 Bucket Bash, the Foundation's annual gala and primary fundraiser. Attendees include public and private business leaders in the Triangle and throughout North Carolina as well as representatives from local media outlets.

Event sponsors receive ongoing publicity through the Foundation's network including 3,500+ email subscribers and 2,250+ social media followers. There are also opportunities for exclusive recognition at the Bucket Bash and in local media coverage (based on sponsor level).

The goal is to raise over \$250,000 at this year's event to fund wishes throughout the next year for financially-burdened adults with cancer. Your support and sponsorship will help make that possible. Join us!
